

MessageBus

September 4, 2026

MessageBus

Kind: Class

Source: [atloria-monorepo/libs/agent-core/src/tools/send-message.tool.ts](#)

Methods

Method	Signature	Returns
registerAgent	registerAgent(name: string, hook: InjectionTurnHook<any>)	void
unregisterAgent	unregisterAgent(name: string)	void
getHook	getHook(name: string)	`InjectionTurnHook
listAgents	listAgents()	string[]
enqueue	enqueue(name: string, message: string)	boolean

Where it refuses work

- `MessageBus` stops the work with an early return when `!hook` .
