

SetupCache

September 4, 2026

SetupCache

Kind: Class

Source: [atloria-monorepo/libs/agent-core/src/autonomous/setup-agent.ts](https://github.com/atloria-monorepo/libs/agent-core/src/autonomous/setup-agent.ts)

Methods

Method	Signature	Returns
<code>get</code>	<code>get(repoKey: string)</code>	<code>`SetupResult</code>
<code>set</code>	<code>set(repoKey: string, result: SetupResult)</code>	<code>void</code>
<code>buildKey</code>	<code>buildKey(repo: string, commit: string)</code>	<code>string</code>
<code>clear</code>	<code>clear()</code>	<code>void</code>

Where it refuses work

- `SetupCache` stops the work with an early return when `!entry`.
