

VersionDiffGenerator

September 4, 2026

VersionDiffGenerator

Kind: Class

Source: `atloria-monorepo/libs/parser-core/src/generators/versioning/version-diff.generator.ts`

Version Diff Generator

Methods

Method	Signature	Returns
<code>compare</code>	<code>compare(oldEntities: Entity[], newEntities: Entity[], fromVersion: string, toVersion: string, options: VersionDiffOptions)</code>	<code>VersionDiff</code>
<code>generateReport</code>	<code>generateReport(diff: VersionDiff, options: VersionDiffOptions)</code>	<code>string</code>
<code>generateChangelog</code>	<code>generateChangelog(diff: VersionDiff)</code>	<code>string</code>

Where it refuses work

- `VersionDiffGenerator` stops the work with an early return when `affectedProperties.length === 0`.
