FORCED_DARK_TOKENS

Kind: Constant

Source: `atloria-monorepo/apps/web/src/app/p/[slugId]/components/theme-presets.ts`

Neutral dark surface tokens for colorMode 'dark'/'auto' (A4) when the selected preset is a LIGHT pack: brand primary/accent stay as configured, only the page/chrome/content surfaces flip. Dark presets (midnight/carbon) already carry their own tokens and are used as-is.
