Kind: Constant

Source: [atloria-monorepo/apps/web/src/app/\(marketing\)/compare/page.tsx](#)

/compare — the comparison hub. One honest framing line + cards to each vs-page. We only link comparisons that actually exist (Mintlify, GitBook); the rest are listed as "in progress" without dead links. Fairness is the whole pitch: our tables concede where the other tool wins. Design mirrors /product/agent-actions.
