NO_ROUTING_TABLE

Kind: Constant

Source: [atloria-monorepo/libs/agent-core/src/runtime/model-router.ts](https://github.com/atloria-monorepo/libs/agent-core/src/runtime/model-router.ts)

Single-model routing table (no routing).

All categories use the default model.

This is the implicit behavior when no routing table is configured.

Definition

`ModelRoutingTable`
