

TemplatePreview

September 4, 2026

TemplatePreview

Kind: Constant

Source: [atloria-monorepo/apps/web/src/components/Templates/TemplatePreview.tsx](https://github.com/atloria-monorepo/apps/web/src/components/Templates/TemplatePreview.tsx)

TemplatePreview - Modal component for previewing a template

Shows a full preview of the template content with markdown rendering.

Supports keyboard navigation (ESC to close) and focus trapping.
