assertPerformanceMetrics

Kind: Function

Source: `atloria-monorepo/apps/web-e2e/src/utils/performance.ts`

Assert performance metrics meet thresholds

Signature

```
async function assertPerformanceMetrics(page: Page, thresholds: Partial<{
  ttfb: number;
  fcp: number;
  lcp: number;
  cls: number;
  domContentLoaded: number;
  load: number;
  resourceCount: number;
  totalSize: number;
  domNodes: number;
}>): Promise<void>
```

Parameters

Name	Type
page	Page
thresholds	`Partial<{

```
ttfb: number;
fcp: number;
lcp: number;
cls: number;
domContentLoaded: number;
load: number;
resourceCount: number;
```

```
totalSize: number;  
domNodes: number;
```

```
}>`|
```

Returns: `Promise<void>`
