buildToolUsageGuide

Kind: Function

Source: [atloria-monorepo/libs/agent-core/src/tools/tool-usage-guide.ts](#)

Build tool usage instructions to inject into an agent's system prompt.

Example:

```
const guide = buildToolUsageGuide({
  tools: ['read', 'edit', 'write', 'glob', 'grep', 'list_directory'],
});
const instructions = `${baseInstructions}\n\n${guide}`;
```

Signature

```
function buildToolUsageGuide(options: ToolGuideOptions): string
```

Parameters

Name	Type
options	ToolGuideOptions

Returns: string
