checkCostLimit

Kind: Function

Source: [atloria-monorepo/libs/agent-core/src/benchmark/agent-hardening.ts](https://github.com/atloria-monorepo/libs/agent-core/src/benchmark/agent-hardening.ts)

Check if a task has exceeded its cost budget.

Pattern from SWE-agent: \$3/task default limit.

When exceeded, autosubmit whatever patch exists.

Signature

```
function checkCostLimit(currentCost: number, limit: number | undefined): boolean
```

Parameters

Name	Type
currentCost	number
limit	`number

Returns: boolean
