createInsertAudience

Kind: Function

Source: <atloria-monorepo/packages/editor/src/plugins/toolbar/components/InsertAudience.tsx>

Factory function to create an audience insertion toolbar button with dynamic audience data.

For this to work, you need to have the `directives` plugin enabled with the audience directive descriptor configured.

Signature

```
function createInsertAudience(audiences: AudienceModel[])
```

Parameters

Name	Type
<code>audiences</code>	<code>AudienceModel[]</code>
