

AgentNote

September 4, 2026

AgentNote

Kind: Interface

Source: `atloria-monorepo/libs/agent-core/src/autonomous/autonomous-loop.ts`

A session-scoped note/learning the agent records as it works.
Injected into every subsequent turn so the agent builds up context.

Properties

Property	Type
<code>turn</code>	<code>number</code>
<code>content</code>	<code>string</code>
