

# AssemblyResult

September 4, 2026

## AssemblyResult

**Kind:** Interface

**Source:** [atloria-monorepo/libs/site-gen-core/src/assembler/types.ts](#)

### Properties

| Property     | Type                                                                                |
|--------------|-------------------------------------------------------------------------------------|
| success      | boolean                                                                             |
| outputDir    | string                                                                              |
| filesWritten | string[]                                                                            |
| errors       | Array<{ stage: AssemblyStage; message: string; context?: Record<string, unknown> }> |
| warnings     | string[]                                                                            |
| durationMs   | number                                                                              |
