

# BenchmarkTask

September 4, 2026

## BenchmarkTask

**Kind:** Interface

**Source:** `atloria-monorepo/libs/agent-core/src/benchmark/types.ts`

### Benchmark Types

Shared interfaces for all benchmark adapters (Aider Polyglot, SWE-bench).  
Zero external dependencies.

### Properties

| Property                   | Type                          |
|----------------------------|-------------------------------|
| <code>id</code>            | <code>string</code>           |
| <code>suite</code>         | <code>`aider-polyglot`</code> |
| <code>prompt</code>        | <code>string</code>           |
| <code>repo</code>          | <code>string</code>           |
| <code>baseRef</code>       | <code>string</code>           |
| <code>setupPatch</code>    | <code>string</code>           |
| <code>languages</code>     | <code>string[]</code>         |
| <code>difficulty</code>    | <code>`easy`</code>           |
| <code>timeoutSec</code>    | <code>number</code>           |
| <code>expectedFiles</code> | <code>string[]</code>         |
| <code>testCommand</code>   | <code>string</code>           |
| <code>goldPatch</code>     | <code>string</code>           |

| Property | Type                    |
|----------|-------------------------|
| metadata | Record<string, unknown> |
