Kind: Interface

Source: `atloria-monorepo/apps/screenshot-worker/src/app/screenshot/services/crop.service.ts`

Pure geometry + image helpers shared by the clip-capture (WS-B) flow.

These are intentionally framework-free pure functions (no Playwright, no Nest DI) so they can be unit-tested in isolation and reused by any workstream.

Properties

Property	Type
<code>x</code>	<code>number</code>
<code>y</code>	<code>number</code>
<code>w</code>	<code>number</code>
<code>h</code>	<code>number</code>
