

IParser

September 4, 2026

IParser

Kind: Interface

Source: [atloria-monorepo/apps/parser-orchestrator/src/interfaces/parser.interface.ts](#)

Base interface that ALL parsers must implement

Each parser (React, NestJS, Prisma, etc.) implements this interface to ensure consistent behavior across the system.

Properties

Property	Type
name	string
version	string
supportedPatterns	string[]
