SnippetView

Kind: Interface

Source: [atloria-monorepo/apps/web/src/lib/api-client.ts](#)

API error carrying the HTTP status so callers can branch on it.

402 (out of credits) must render an upgrade CTA, never a blind Retry.

Properties

Property	Type
id	string
projectId	string
organizationId	string
name	string
title	`string
content	string
createdById	`string
createdAt	string
