Kind: Interface

Source: `atloria-monorepo/libs/agent-core/src/context/todo-manager.ts`

Todo Manager

- Structured task list re-injected after every tool call.
- Prevents objective drift after 3-4 steps in the agent loop.
- Zero SDK imports — operates on our own interfaces.

Properties

Property	Type
<code>id</code>	<code>string</code>
<code>description</code>	<code>string</code>
<code>status</code>	<code>`pending`</code>
<code>result</code>	<code>string</code>
<code>createdAt</code>	<code>number</code>
<code>completedAt</code>	<code>number</code>
