

RequestDemoController

August 19, 2026

RequestDemoController

Kind: Controller

Source: `Pams/API/Pams.API/Controllers/PricingAndSubscription/RequestDemoController.cs`
(line 10)

Part of: [Pams](#)

Where it refuses work

- `RequestDemoController` stops the work with an early return when `!isSaved` .
- `RequestDemoController` stops the work with an early return when `isCreated == Business.Entity.EnumNewSales.EnumReturnMessage.SavedSuccessfully` .

Relationships

- MODULE_DECLARES → `SaveRequest`
- MODULE_DECLARES → `CreateDemoRequest`
- IMPORTS → `RequestDemoBindingModel`
